

Press Release  
Friday, September 7, 2007

---

**NOW Delivery**, headquartered in Providence, RI, announced it has been named one of **Entrepreneur Magazine's Hot 500 Companies** for 2007. The list is chosen from 19 million national companies that fit criteria including minimum sales levels, financial stability, and positive growth figures.

NOW Delivery plans to capitalize on the momentum that has been achieved in recent months and move forward with regional expansion plans.

About NOW Delivery: NOW Delivery provides time-critical transportation and logistics services throughout New England. The company specializes in the medical, financial, manufacturing, technology, critical parts warehousing and logistics industries.
